

Crédits de Formation Théoriques (CFT) du CCCG attribués aux sessions d'éducation reconnues

Vous trouverez ci-dessous la liste des CFT attribués pour différents congrès depuis le premier examen d'accréditation de l'ACCG. Il s'agit de **sessions d'éducation reconnues**. Cette liste inclue les congrès pour lesquels les organisateurs ont appliqué directement au CCCG (et précédemment à l'ACCG) pour l'attribution de CFT.

Les candidats qui utilisent ces congrès pour obtenir des CFT auront besoin du reçu officiel de paiement des frais de congrès OU d'un certificat d'accumulation de « CEU » tel que requis par l'ABGC dans le cas d'un audit. Pour plus de détails, veuillez svp consulter le [Protocole de Renouvellement d'Accréditation](#) sur notre site Web.

Les sessions de formation non-reconnues ne sont pas répertoriées ici-bas. Les applications pour les sessions de formation non-reconnue doivent être soumises au Comité d'Accréditation dans les 12 mois suivant la fin de la conférence ou du cours en ligne. Les sessions de formation non-reconnues sont approuvés individuellement pour chaque applicant, et non pour tous les participants de la conférence.

Pour toute question concernant l'attribution de CFT, veuillez svp communiquer avec Jocelyn Carter-Sim par courriel (cec@cbgc-cccq.ca).

Veuillez noter que les CFT attribués aux congrès à venir pourraient être modifiés si des changements sont apportés au programme final.
